Dear Parents/Carers,

Thank you for expressing an interest in your child enrolling in our Reception class for the 2021-2022 school year. Staffordshire County Council is currently beginning the process of allocating Reception places. Further information can be found at - www.staffordshire.gov.uk/admissions.

Applications can be made online from Sunday 1st November. Applications close on the Friday 15th January 2021. Schools have been told by the County Council that if applicants do not complete a form, they may not be considered for admission.

We know what an important milestone starting Reception is for both you and your child. We understand choosing the right school for your family is an important decision and that this decision has been made harder this year in the light of Covid-19.

Unfortunately, we are unable to offer tours of our school this year due to Covid-19. However, please take a look at our school website to view a **virtual tour of our Reception classrooms and outdoor environment** as well as a message from our head teacher. Please look under the 'Early Years - New starters' section to find out more.

At Pye Green, we are committed to ensuring smooth and happy transitions that allow every child to settle into school life, get to know their teachers and to make new friends. We know the vital role that you as parents play in helping to make this a happy and positive experience and if you would like more information please call our school office on 01543 227175 or email us at enquiries@pyegreen.uwmat.co.uk

We will be contacting parents after places have been confirmed in April, to give details of our introductory programme for parents/carers and children.

If you have any queries concerning your child's admission to our school, please do not hesitate to contact us.

Yours faithfully,

Ms E Ingram
Headteacher
