

### Literacy

In Literacy we will be.....

- \* Working on holding our pencil in the correct way. This is called a Tripod grip.
- \* Using tools, such as scissors, to help strengthen our fine motor skills.
- \* Writing during play by making lists and designing our villain or superhero.
- \* Learning set one sounds in RWI and beginning to oral blend.
- \* Answering who and what questions and confidently talking to adults and our peers.

Summer 3.1 theme is Superheroes

We will talk about superheroes and real life super heroes such as people who help us and how they help us.

### Mathematics

In Maths we will be.....

- \* Using Ten town to practise our number formation
- \* Continue to practise counting out objects and compare what we have with our friends.
- \* Use words like more and less to talk about number
- \* Begin to count backwards from 5 to 0

### Communication and Language

In C&L we will be.....

- \* continuing to practise identifying our names by its initial sound and letter. We will practice writing our names correctly one letter at a time.
- \* We will talk about what we notice as we watch plants grow and change. We will continue to practise asking questions to find out new information.

### Personal, Social and Emotional Development

In PSED we will be.....

- \* Using Jigsaw to engage in conversations about our well being and emotions.

### Physical Development

In Physical Development we will.....

- \* Talk about what makes us healthy and grow. We will continue to discuss what happens to our bodies before, during and after exercise.
- \* Use our outdoor environment to build superhero bases using our imagination.
- \* Begin to practise for sports day and participate in the races on sports day.
- \* Begin to roll and stop a ball

## Expressive Arts and Design

In EAD we will be.....

- \* painting using a colour palette to mix colours
- \* making a superhero mask
- \* vegetable painting
- \* dancing and moving to music using streamers.

Books we will read:

Supertato

Super kid

Superheroes don't get scared

A superhero like you

One Hundred steps: the story of Sir Tom Moore

## Understanding the World

In UTW we will be.....

- \* planting some flowers in our garden area and taking care of them. We will be exploring change over time
- \* talking about future careers in group discussions. We will ask what would you like to be when you grow up?
- \* talking about important jobs and who these people are (nurses, doctors etc.) and how they help and have helped us.
- \* encouraging children to express their feelings and thoughts.
