

To ensure that your child is able to continue to learn from home in the event of individual isolation or as a result of us having to close a whole bubble, we would like to share our home learning plans with you. So far, we have been really proud of the children's commitment to their learning at home. We understand that this is difficult for parents and we will do as much as we can to support you.

**What will happen if my child is absent because they are awaiting test results, or if my household is required to self-isolate?**

On day one of isolation, please access the following online resources:

<https://www.myon.co.uk/login/index.html>

<https://ukhosted13.renlearn.co.uk/1953067/>

<https://play.ttrockstars.com/auth/school/student>

<https://play.numbots.com/#/account/school-login/6907>

<https://login.mathletics.com/>

<https://www.letterjoin.co.uk/log-in.html>

<https://www.bbc.co.uk/bitesize/primary>

From day two, information will be sent home with details of online lessons and a suggested timetable for how long each activity should take. These lessons will reflect what is being taught in school.

\*\*\* Please also ensure your child reads daily\*\*\*

**What will happen if my child's bubble is forced to close?**

If your child is in Year 1, Year 2 or Year 3, we will be setting 5 lessons a day: phonics/spelling, English, reading, maths and an area from the wider curriculum. These will be sent out via a link to OneNote which will be emailed to the parent's email account.

If your child is in Year 4, Year 5 or Year 6, we will be setting 5 lessons a day: English, reading, maths and the wider curriculum. This will be sent via Microsoft Teams and OneNote which the children have learned how to access in school.

\*\*\* Please also ensure your child reads daily\*\*\*

It is really important that your child continues to learn during this pandemic and your support with bubble closure plans is greatly appreciated. We are of course hopeful there will be limited need for this, but it's important we are all prepared for any such event.

If you have any concerns about your child's access to home learning or have questions during a period of isolation, please contact your child's class teacher via their email address.

**If for any reason you do not have the technology at home to access this work, please inform school as soon as possible so that we can provide alternative provision. (You only need to do this should your child be off school.)**
