UWMAT Athletics

On Wednesday 19th June, a group of KS2 pupils took part in an athletics tournament against 11 other primary schools within our academy. This took place on the track and in the sports hall at the Walsall Campus, University of Wolverhampton. The children moved around a carousel of activities involving running, jumping and throwing. Points were scored and are being put together for each primary school. We will update you when we receive the results! All children represented the school well, put in superb performances and showed great resilience.

Keele University County Finals

On Friday 28th June, we once again attended the Level 3 County Finals which we qualified for during Level 2 Cannock & Rugeley competitions earlier in the year.

As always, this was a great day and a wonderful experience for the children involved. They took part in a mass warm up, listened to professional sporting people and had the opportunity to take part in a variety of sporting activities. Although no county medals were achieved, our children did us proud as always.

Mrs Barrott's
class for having
the best

attendance over a one week period W/C 1st July 2019 96.5%

It is important that children are in school on time.

Arriving late can be disruptive and unsettling for your child, and attending after 8.55 am will give your child an unauthorised mark for the morning session
