Dear Ms Brindley-Cooke,

Thank you for your email regarding the problems caused by parents parking inconsiderately and obstructively near to your school.

I appreciate that this is an issue that can cause considerable difficulty as it can be dangerous and it puts people to a great deal of inconvenience. It can also put a strain on a school's relationship with its neighbours and with the parents. It is a particularly difficult issue to resolve and your actions of liaising with the local Police Community Support Officer as well as including regular reminders in newsletters are exactly the kind of action I would recommend.

I note that you have tried to contact the Clear Streets team and have had no response. There is a new link to this team on the Staffordshire County Council website where you can report parking issues and there is a specific section dedicated to parking near schools. The way to contact them is through this link:

<https://www.staffordshire.gov.uk/Highways/Parking-and-enforcement/On-Street-Parking/Problem-parking/Problem-parking.aspx>

I have now filed a report about the parking problems on your behalf, so I trust the Clear Streets Team will contact you in due course. If you do not receive any contact from them, please let me know and I will follow this up for you.

Please do not hesitate to contact me if there is anything further I can do to assist you with this or any other matter.

Yours sincerely,
