

Pye Green Academy News

Friday 9th October 2020

Week Commencing 12th October 2020 will be
Lunch Menu Week Three

Please Wear
a Face Mask

Help Stop the Spread

Thank you to all of the parents who have been wearing face masks when dropping off and collecting pupils. Please remember it is essential that any parent entering the school premises for any reason **must** wear a face covering.

Winter Weather

Please ensure your child comes to school in an appropriate winter coat and shoes. Unfortunately on wet days they will still have to line up outside to be collected from their teacher at the end of the day. Please do not ask to collect pupils from the main office due to poor weather or heavy rain, as this will not be possible.

Water Bottles

Several parents have asked if their child can have squash in their bottles as they do not like water. As a school, we request water for all pupils.

Clear, flavoured water will be allowed in those circumstances where a child would refuse to drink all day if it were plain water but no juices or squash will be permitted. This decision has been made in consultation with our new Headteacher, Ms Ingram, and will therefore also be the decision going forward after she starts with us on 2/11/2020.

Relationships and Sex Education (RSE) Policy Consultation

The draft policy has been published on the school website for you to read and respond to.

Find it quickly by clicking

https://www.pyegreen.staffs.sch.uk/images/image_gallery/large/1602156613.pdf

You are invited to submit your responses regarding the policy to our PSHE coordinator Mrs Orr at the following email address corr@pyegreen.uwmat.co.uk

Please respond by 31st October 2020.

Staffordshire and
Stoke on Trent Partnership
NHS Trust

Reception Years 1, 2, 3, 4, 5 and 6

The School Age Immunisation Team will be visiting school to give the flu nasal vaccination to Reception, Years One, Two, Three, four, five and six on Thursday 22nd October. Letters have been emailed to parents/carers on how to give electronic consent. This information can also be found on the school website.

Immunisations will only take place where a parent/carer has given consent using the online consent form.

If parents have any medical questions they are asked to call the School Age Immunisation Team directly on 03001240366 (Option 2 South Staffs)

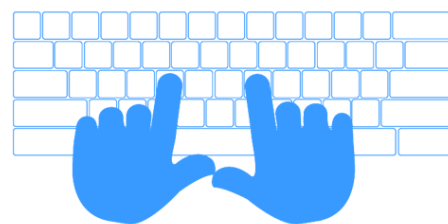

Typing

Would your child like to increase their typing speed and accuracy?

TypingClub is the most effective way to learn how to type. It is web based and highly effective. **TypingClub** is (and will always be) free for both individuals and schools.

You can access this at home by clicking

<https://www.typingclub.com/>

Online Safety and Mental Health Update

This month, as part of our efforts to improve children's online safety and mental health, we are looking at how children can stay safe during live lessons and when using a webcam. Attached are two resources with guidance and tips for parents and teachers for live lessons, as well as a guide for how to keep your webcam secure to make sure it is not being accessed by someone else!

A banner with a dark blue background. On the left, there is a photo of a student using a laptop. In the center, the text 'A GUIDE TO SAFER LIVE LESSONS' is written in large, white, bold letters. On the right, there is a photo of a student using a laptop with a webcam. Below the main text, there is a paragraph of smaller white text.

A GUIDE TO SAFER LIVE LESSONS

An online lesson occurs when teachers use video conferencing software to 'live stream' lessons to their pupils. Some of the most popular apps and websites that support this include Zoom, Google Hangouts, Skype and Microsoft Teams. Online lessons can be a great way to replicate classroom interaction, ask immediate questions and gather instant feedback. It's also convenient and allows learning to take place anywhere with an internet connection. However, live lessons aren't always accessible to everyone and younger children will need a lot of parental supervision, which isn't always practical.

A banner with a blue background. On the left, there is a logo for 'NOS Online Privacy & Security' which includes a shield icon and the text 'Part of our Privacy & Security Series'. In the center, there is a circular icon with a blue and white design. To the right of the icon, the text 'What you need to know about...' is written in white, and 'WEBCAMS' is written in large, white, bold letters below it.

Part of our Privacy & Security Series

NOS
Online Privacy & Security

What you need to know about...
WEBCAMS

On Wednesday 21st October or Local PCSOs will also be in to talk to pupils in Y5 and Y6 about internet safety, online bullying and the dangers associated with the digital world in which we live.

Should you require further support, please feel free to contact school using -
