Be Kind, Be Safe, Believe - Achieve

Key Dates

- W/B Monday March 7th – Parents Consultations (online) Foundation Stage & KS1
- W/B Monday March 14th – Parents Consultations (online) KS2
- W/B Monday 15th February – Half Term – no remote learning this week
- Monday 22nd February – Spring Term 2

I am not sure if anyone was expecting this start to the Spring term, I know I certainly wasn't. I am very proud of the whole school community; children staff and parents, for adapting so well to home learning once again. Staff are predominantly working in school and we are more than happy to help you in whichever way we can. Please feel free to ring or email if there is anything we can do to help support you through this school closure.

Online Learning Update

Your children should have received a username and login details to access a range of online learning activities and tasks on their year group pages. If you are still having any problems with our online learning, please email your class teacher (using the year group email) in the first instance for some guidance & support.

Over the next few weeks, we will continue to develop and enhance the lessons/activities and look at how we can engage and support pupils so that gaps in learning are minimised. Some of the exciting developments next week include:

- Increase the number of video recorded lessons from our teachers to personalise learning and engage children.
- Increase the amount of audio recordings by our teachers, alongside power point or flip charts.
- Include weekly video recordings of the class teacher reading texts as part of our focus on Reading & Comprehension.

If you have any photographs on any of the fantastic work your child is doing at home, please send them to your class teachers so we can collect and create an e-portfolio of evidence to share with governors and others. I would also love to them.

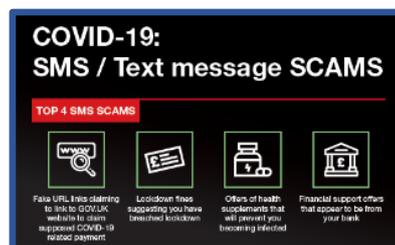

Welcome to Mrs Edwards

We are delighted to be welcoming Mrs Edwards to our Nursery as our 'Lead Practitioner'. Mrs Edwards joins us from a school in Walsall judged outstanding by Ofsted. She has a wealth of experience in Early Years and lots of energy and exciting ideas to share with us. We are really happy to welcome her.

Please read the important information from West Midlands Police attached

Many thanks for your continued support.

Ms. Ingram
