Be Kind, Be Safe, Believe –Achieve

A Message from Ms Ingram

Welcome back,

I hope you had a restful break over the Easter holidays and enjoyed some family time together. As the lockdown measures start to be lifted, I wanted to say a big 'Thank You' for your support in making our school as safe as possible during this time and for following our health and safety risk assessments. Although I would love to put bubble closures behind us, I am fully aware that we are not there yet!

This term, I look forward to tentatively beginning to reintroduce some of the normal school activities and begin to adjust our risk assessment measures and routines, such as after school clubs. I will continue to communicate with you all over the next few weeks to inform you of any changes as we adjust step by step. The good weather has made the first week a sunny and successful one, and I am looking forward to many more this term.

Ms E. Ingram

Key Dates

- Monday 3rd May – Bank Holiday – School Closed
- Thursday 6th May – School Closed – Polling Day
- Mon 31st May – Half Term Holiday
- Friday 2nd July – Staff Training – School Closed
- Thursday 22nd July – School Closed – Summer Holidays

Closing Class Bubbles

Closing a bubble is difficult for children, who have already missed so much time in school. It is extremely inconvenient for parents who have to juggle work and commitments around home schooling and is very frustrating for our staff who want to teach in school.

We can see the significant gaps that the lockdown closures have had on many of our pupils and also keep in mind the effect on their social well-being.

Therefore, can I remind you that if you or a member of your household has any of the recognised symptoms, please do not send your child into school and follow the government's advice on testing & isolation so we can prevent having to close class bubbles as much as possible. Thank you.

'A Musical Marvel'

Huge congratulations to Lili-Mai, who has achieved a very well deserved Merit in her Grade 2 flute exam. Lili has done extremely well, especially considering the circumstances of the last year.

She has shown herself to be both a talented and a dedicated musician. Well done Lili!

Local Governing Body Update

Dear Parents

School governors are teachers, parents, and members of the local community who wish to make a positive contribution to children's education by supporting it in its work. As Governors we have an important part to play in raising school standards through three key roles of setting strategic direction, ensuring accountability and monitoring and evaluating school performance.

We meet on a regular basis and prior to the Easter holiday, there was a series of Local Governing body meetings. We wanted to share with you how impressed we were with all of the information presented during the meeting by Ms Ingram and Mrs Yates. A wide variety of themes were presented, which ranged from the support children and their families were given during the lockdown, to the ongoing commitment to improve the attainment and progress of reading across the whole school.

The governing body would like to thank all of the Staff at Pye Green Academy for their continuing commitment and dedication to teaching and learning.

Lisa Bramwell

Mental Health Week

In a few weeks' time, it is Mental Health Awareness Week and it seems even more apt this year to recognise how people have felt and what has kept them going over the last 12 plus months.

As part of this, **Hednesford Town Council** are putting on a display in the park of poems, drawings etc and we would like to invite families to participate in this.

Please see attached the poster for more details regarding this - it is totally free and can be anonymous too.

[Please send entries direct to Hednesford Library By Wednesday 5th of May](#)

Online Safety

Please find attached some useful tips and information to help parents ensure that their children continue to be safe when accessing an ever increasing range of on line viewing.

**Many thanks for your continued support
Ms. Ingram**
