Staffordshire Day – Saturday 1st May

Staffordshire Day is the day to celebrate everything we love about Staffordshire.

Every year on May 1st, Staffordshire comes alive with events of all shapes and sizes across the county, and loads of competitions and special offers from our great attractions, restaurants, pubs, and hotels.

Whether you love our captivating countryside, our thrilling theme parks or our eye-opening history and heritage, there will be something for you on Staffordshire Day!

Covid-19 Testing

Anyone, regardless of their association with a school or nursery, can now collect free lateral flow tests from a government testing centre. Tests can also be collected at a local community testing centre. Full details of all the options and how to book can be found at www.staffordshire.gov.uk/coronavirus.

Lateral flow tests are for testing people who are not showing any symptoms of Covid-19. If your child is displaying one of the three classic symptoms, or the wider precautionary symptoms of Covid-19, they will need to isolate and get a PCR test at one of the government testing sites.

Attached to the newsletter is a flow chart to help you know which course of action to take should your child develop Covid-19 symptoms.

Message From Staffordshire Police

Following our last letter to you during our 'Ditch the Blade' campaign last year, we wanted to get back in touch to remind you that you can still help. Everyone can make a difference in the fight against knife crime. It is important that parents, carers and teachers continue having conversations about knife crime with children and young people so they understand the risks and consequences.

The 'Ditch the Blade' campaign encourages young people not to carry knives and to instead choose a different path for their lives, one without the risk of prison, serious injury or death.

We have recently updated our dedicated page on our website. It now contains specific help and advice for parents/carers, teachers and young people, and there are a range of useful resources including case studies, videos and podcasts. The podcasts aim to help parents and carers understand how they can talk to children about knife crime. You can hear from a parent with lived experience, as well as some of the agencies that help tackle the issue and work with young people on a day-to-day basis.

There is also information on who can help if you are worried about a child and think they are involved with knife crime. To view the webpages visit: www.staffordshire.police.uk/ditchtheblade

We know that the overwhelming majority of young people will never be affected by knife crime but a conversation with your child will help us collectively make a difference.

Thank you for your continued support in this matter.
