## YEAR 6 Transition Update

We are currently in discussion with our local Secondary schools to arrange secure Year 6 transition in the summer term. The individual schools have made their arrangements in line with public health guidance and advice. Please note that dates, timings and delivery will be different from previous years.

Year six teachers will email you shortly with key information regarding your child's arrangements - please contact us if you need any more information.

## Football Club

I am delighted to announce that we are re-starting our after school football club next week for Years 1,2 and 3. Mrs Dowson will contact the following year groups today for pupils to sign-up and parents to complete the permission slip.

Y2 and Y3 will take place each Wednesday  
Y1 on Thursday

Both clubs will be run by Alex & Tom our sports coaches from 'Progressive Sports'.

**Clubs for Years 4, 5 and 6 will follow after half term in a 5-week block.**

## Sports Day is Back

We will be hosting our sports **day on Monday 12<sup>th</sup> July.**

Under the current restrictions, we are not able to welcome parents to attend. However, if the guidance regarding gatherings of more than 30 people is amended then of course, we will re-evaluate our plans. As always, we will follow government guidance regarding outdoor events and will confirm details nearer the time.

## Covid-19 Testing

Anyone, regardless of their association with a school or nursery, can now collect free lateral flow tests from a government testing centre. Tests can also be collected at a local community testing centre. Full details of all the options and how to book can be found at

[www.staffordshire.gov.uk/coronavirus](http://www.staffordshire.gov.uk/coronavirus)

Lateral flow tests are for testing people **who are not showing any symptoms of Covid-19**. If your child is displaying one of the three classic symptoms, or the wider precautionary symptoms of Covid-19, they will need to isolate and get a PCR test at one of the government testing sites.

Attached to the newsletter is a flow chart to help you know which course of action to take should your child develop Covid-19 symptoms.
