## Online Safety

Following the national school closures in response to the Covid 19 pandemic and the subsequent return to school over the last few months, there has been a national rise in reports of online bullying and incidents occurring over social media.

Through lessons in school, we will endeavor to discuss these issues with our pupils and raise their awareness to the concerns and dangers of social media use.

However, we also ask that as parents/carers you are aware of these issues, the age restrictions on certain social media and apps and are alert to what your children are engaging in online.

Attached to your email you will find further information about keeping children safe online
