## Holiday Activities and Food

The Holiday Activities and Food Programme (HAF) is a central government initiative that requires all Local Authorities to deliver a programme of inclusive activities including a hot meal over the school holidays for children aged 5 – 16 years. It is free to those who receive benefit related school meals.

The Local Authority have teamed up with local organisations to develop a timetable of enriching activities where children will get the opportunity to try new things, work on arts and crafts, cookery and sport as well as receive a hot meal wherever possible. The Department for Education has provided funding for this initiative.

**If your child is eligible for a free place on our summer Holiday Activities and Food programme, you will receive a letter from school (which you must collect in person). This letter will contain a unique code which you will need to register your child. You can register from 5th July, giving you access to the timetable of activities. Once you have access to the timetable, please book the activity with the organiser.**

## We Love Reading

We are creating displays within classrooms to promote our 'love of reading' across school. Some children have already taken pictures into their teachers of them reading in MANY different places. We would love to see where you have been reading.
