## Football News

Following the football finals on Sunday I have been asked to communicate to parents that we would rather have children in on Monday. Therefore, if they do need to sleep in a little after Sunday's excitement, that is fine. They will still get their attendance mark when they do arrive in school and will not be marked late.

## Lunchtime Playground Equipment

We have purchased some brand new playground equipment for the children to use at lunchtimes. Each year group bubble has their own set of fun and exciting equipment that they can use to play with individually, with a partner or in small groups. The sets consist of beanbags, scoops and balls, bats, skipping ropes, activity mats, frisbees, ankle hoops, cones and a variety of different types and size of balls.

Although there is not enough space for football matches to be played safely, children can practise their ball skills such as dribbling by making up games using the cones and target boards to shoot at. We hope that they have lots of fun!

The arrangements will be revisited and revised for September 2021 when the DFE releases updated guidance for schools as we move to Step 4 of the recovery roadmap.

## Staffordshire Police Updates

This week, Staffordshire Police have provided us with information leaflets for parents based around drugs that are marketed at children. Further information can be found in the attachments on your email.

## Healthy Snacks at School

Just a reminder for Key Stage Two children, it is a healthy snack for breaktime to help our brains to learn.

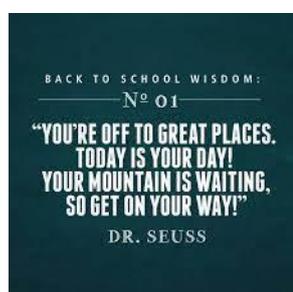

## We Love Reading

We are creating displays within classrooms to promote our 'love of reading' across school. Some children have already taken pictures into their teachers of them reading in MANY different places. We would love to see where you have been reading.

## Helping Young Children to Bounce Back

Action for Children are running a two-week workshop which is specifically designed for young people in their transition year from primary to high school (Y6). If you would like to book onto the sessions see the additional information attached to your email.

## Speech and Language Therapy

If your child is currently under the speech and Language Theray Service, they will be offering an assessment session to all of the remaining children on the caseload (who have not been seen since before the initial school closures in March 2020). Parents will receive a letter about this by July 16th. Should parents not then contact the department, or should the child not be taken to the clinic appointment (without the parent contacting the department beforehand) then the child will be discharged from the Speech and Language Therapy caseload. Please note, it is parents who will be required to contact the service in response to the letter, in order to gain consent; school is not able to reply on your behalf.
