OFSTED

As you will be aware, this week the school have been visited by OFSTED. This consisted of a two day visit in which three inspectors looked at every aspect of our school. At this point, no details regarding the inspection outcome can be shared with parents but as soon as school receive the report, it will be sent out to all parents.

Bromcom – Email Problems

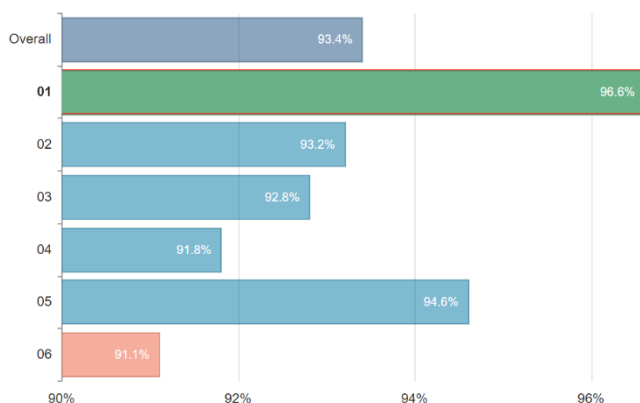

During the week, we have been having major problems with our email system. Our provider, Bromcom, are aware of the problem and are working to rectify the problem.

This week's newsletter is therefore being sent as a paper copy for this week only to ensure parents receive important communication.

Attendance

Congratulations to Year 1 for having the best attendance during this week. Overall school attendance stands at 96.2% which is in line with National average. This is a drop from last week due to the fact that we have a considerable number of pupils taking term time holidays. Term time holidays are classes as unauthorised, expected in extremely exceptional circumstances.

Attendance Matters!
