Curriculum Promise

Please see the attached information regarding upcoming events and opportunities during the next term as part of our Curriculum Promise to our pupils. There are many exciting things ahead!

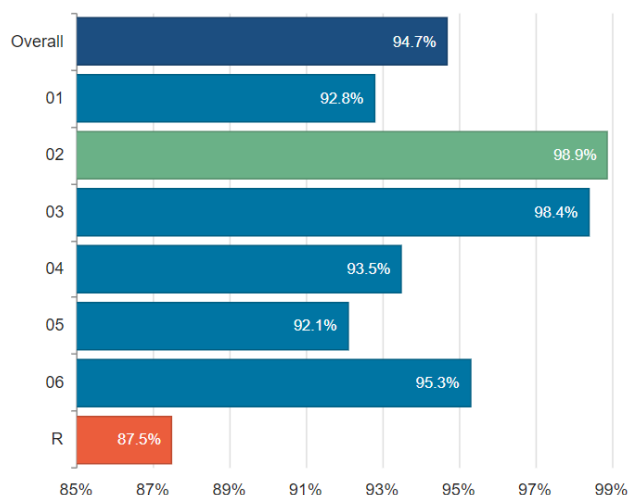

- Our Curriculum Promise broadens our pupils' horizons and experiences beyond the national curriculum.
- Our Curriculum Promise helps to shape our pupils as citizens of the future, providing them with broader experiences and opportunities beyond the classroom.
- We want every child to leave Pye Green ready for their next challenge and ready to participate in their community and beyond as happy, active citizens.

Please look out for a parental questionnaire based on the Curriculum Promise, that will be sent out soon. We would appreciate as many responses as possible.

Attendance

Congratulations to **Year 2** for having the best attendance during this week at an amazing **98.2%** Overall school attendance stands at 94.7% this week, which is unfortunately well below the National average of 96.4%.

Come Dine with Me Year 3

On Wednesday 8th February, we are pleased to announce our next 'Come Dine with Me' lunchtime experience for Year 3.

Parents, please be aware the £3.00 cost of the parent meal must be paid for in full before we can serve the meal. This should be paid on My Child at School (MCAS).

Any problems with your account, please contact the school office.

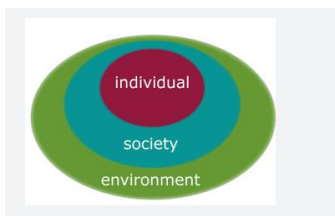

Please note we are no longer able to accept cash for these meals.

Litter Around School

Unfortunately we have had a phone call from Environmental Health this morning. This is as a result of complaints about the amount of litter being dropped around areas where parents park to drop off children at the start and end of the day. In particular, this is a problem along Rosehill and Greenheath Road, up towards the Community Centre.

Environmental Health have advised that they will be carrying out regular checks over the coming months and have informed me they will be issuing £75 fines to those found to be littering.

As a school, we will be liaising with Environmental Health to carry out litter picks in the local community with members of our Eco Committee to try to help solve the problem. Please support us by taking any litter home or using litter bins, where available.

Late Arrivals

We are having an increasing number of pupils arriving late to school in a morning – some days at least 15 pupils per day.

This is very disruptive for pupils, results in additional work for our already stretched office staff, disrupts dinner/tuck orders and results in a loss of learning for pupils.

Doors close at 8.55am by which time, your child should be in school.
