Attendance

Congratulations AGAIN to **Reception** for having the best attendance during this week at **96.4%**
Overall, school attendance stands at **94.0%** this week, which is well below the National average of **96.4%**.

We have purchased new books for school for the class with the highest attendance each week; they can collect a brand new fiction book from Mrs Yates for their class library.

I wonder whose library will grow the quickest...

Taking Control of My Anxiety

In the Newsround Special, that can be accessed using the link below, 16-year-old Molly sets out on a mission to learn about what she can do to keep her anxiety in check. She meets other teenagers who have successfully battled back against anxiety, as well as getting advice from adult experts, including celebrity fitness guru Joe Wicks.

By making changes to what she eats, getting more exercise, practising mindfulness, getting outdoors and using breathing exercises, can Molly improve how she feels and take control of her anxiety?

It would be useful for any parents whose youngsters struggle with anxiety.
