## Attendance

Congratulations to **Year 3** for having the best attendance during this week at **96.4%**.  
Overall school attendance stands at **94.5%** this week, which is well below the National average of **96.4%**.

Overall

We have purchased new books for school for the class with the highest attendance each week; they can collect a brand new fiction book from Mrs Yates for their class library.

**I wonder whose library will grow the quickest...**

The **book fair** will be open throughout both evenings with payment online via the QR code or with cash. The world Book Day £1 tokens can also be used.

In addition, the **catering team** will be in the hall with a taster menu for parents to see and also to answer any questions parents might have.

**Office staff** will be available on both evenings for any My Child at School queries. Any parents who feel they may now qualify for Free School Meals (benefits related) can also speak to office staff regarding how to apply.

### Cost of Living Advice for Parents

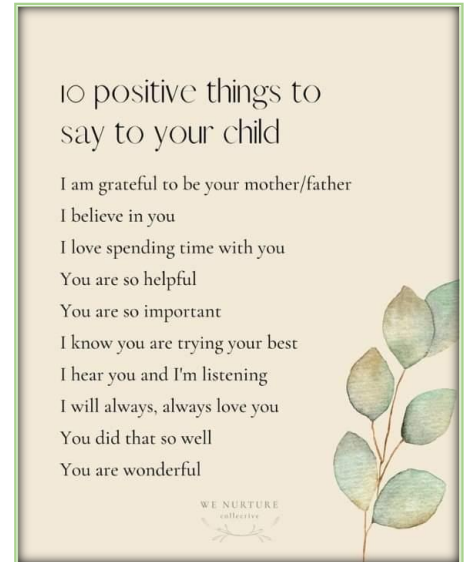

The Families and Wellbeing Service for Cannock have produced information with advice around the cost of living. Information can be accessed by following the link below.

### The Impact of Positive Words

Positive words strengthen areas in the brain that promote cognitive functioning and stimulate the motivational centres of the brain.

By holding a positive and optimistic thought in your mind, you stimulate frontal lobe activity. This area includes specific language centres that connect directly to the motor cortex responsible for moving you into action. Research has shown, the longer you concentrate on positive words, the more you begin to affect other areas of the brain.
