Message from Mrs Yates

As we come to the end of the Autumn term 2023, I would like to wish you all a very Merry Christmas and a Happy New Year. Since September, there have been so many amazing moments in school which make me very proud to be the Headteacher of Pye Green Academy.

Amazing children and wonderful staff make school a very special place to work. We all look forward to many more wonderful moments in 2024.

Thank you to all families for your continued support. I would also like to express my thanks to the Pye Green team for their dedication and commitment to providing the very best for all of our pupils.

Tesco Sensory Garden Voting Tokens

We are delighted to let you know that our application to the Tesco Stronger Starts Programme has been successful. This means our project will be put forward to a customer vote in local Tesco stores.

Voting will commence in stores from mid-January 2024 until the end of March 2024. If we are successful, we hope to create a sensory garden accessible from the Key Stage 2 playground.

The project with the highest number of votes across our region will receive up to £1,500. The second placed project £1,000 and the third placed project £500.

Childrens' University

Miss Brickley is starting to compile information about any extra-curricular after school clubs that KS2 children take part in. Providing their club is registered with Children's University, she can then start to total up the hours they take part in their clubs so they gain stamps towards achieving a bronze, silver, gold or platinum award at their Children's University 'graduation' at the end of Year 6. Please complete the form below so that we know which activities children take part in.
